Do you want to say no?  
Have you consented ? `yes!

Do you say no  
often enough online?

Are you aware  
what you're consenting to?

Have you understood  
what they are asking ? 'no!

Leave me alone i need some privacy

[ Do you say no .... ]

Gentle / questioning / repetitive

First three questions loop

No and Yes punchy

1x together then Canon

Canon goes back to start and then base joins

Deeper and more intensive end two lines.
